

Eco-Schools Meeting: Minutes

Monday 16th March 2020

Attendees: Mrs Orley, Mr Eccles and the Eco schools team.

Minutes:

Eco discussions at this meeting

The Eco Reps enjoyed interviewing Mr Eccles (our school caretaker). They asked fantastic questions which will help us with our Eco vision for the future.

Discussions and questions raised;

What kind of jobs do you do?

Discussion about how Mr Eccles supports our school with eco.

What types of litter do you find?

Where is the most common place you find the litter? - discussion about the school carpark and near the school gates.

Do many drivers leave their engines on near the school? - discussion about our school competition.

What types of bins do we have for waste and recycling?

How do you help the school grounds?

Discussion about how Mr Eccles turns over the allotment/ gardening beds, helps with the compost and keeps the school tidy.

Do we have eco friendly cleaning products in school?

Mr Eccles is looking into getting even more eco friendly cleaning products for school.

We also discussed how our walking to school WOW scheme has encouraged him and other staff members to walk outside of school as well! (Encouraging healthy lifestyles).

Discussion about Greta Thunberg
