Spring Term 2 2024

Dangerous Dinosaurs

This exciting project teaches children about the different animals that roamed Earth millions of years ago and how they are related to animals that live on Earth today.

Parent information

In the Dangerous Dinosaurs project, your child will find out about prehistoric animals that lived on Earth. They will learn facts about dinosaurs and discover how big some of these giant creatures were. They will learn about the difference between carnivores and herbivores. They will also find out about the animals that lived after the dinosaurs and which modern-day animals have prehistoric relatives.

Supporting your child at home

- Go onto the [Natural History Museum](#) website and look at interesting facts about dinosaurs together.
- Go to the CBeebies [Dinosaurs](#) website and explore the games and videos together.
- Look up interesting dinosaur facts to share with the class.
- Share and discuss the [Did you know?](#) resource.

Maths	Number; Numerical patterns
PD	Gross motor skills; Fine motor skills
PSED	Self-regulation; Managing self; Building relationships
World	People, culture and communities; The natural world
Exp A&D	Creating with materials; Being imaginative and expressive
CL	Listening, attention and understanding; Speaking
Literacy	Comprehension; Word reading; Writing
Memorable experience	Museum visit
Innovate challenge	Designing a dinosaur

Morning Activities

Every morning (from 8:45am—9am). Parents/carers are welcome to join their child/children in Nursery to help them settle in (stay and play) and enjoy different activities with them in the classroom. This is also a great opportunity to speak to the class teacher/ teaching assistant about Nursery and have a look at your child's classroom.

Stay and Play

We have stay and play sessions for parents/family members to join us on Tuesday 19th March (8:45-9:30am and 12:45-1:30pm). Please see Tapestry for more information.

Water bottles, Bookbags and School Uniform

In Nursery the children have access to water all day. School water bottles can be bought from the school office or you can bring a water bottle from home. If you wish to buy a school book bag or uniform (optional) these can be bought from Moses and Ziggys in Rochdale. You can also order online with Ziggys-

<https://ziggyschoolwearrochdale.co.uk>.

Bookbags are very useful for sending home important letters and the children's work.

-If you scroll down, click - shop by school, then primary schools, then Whittaker Moss you will find what you need. The children do not need a PE kit for nursery as we have physical development embedded throughout our curriculum so we develop these skills daily. **You may wish to buy a P.E bag**

Nursery Entrances

We use two entrances to drop off and pick up at nursery. Please see the times below.

Nursery Entrance -Morning drop off at 8:45am and afternoon pick up at 3:45pm.

School Main Entrance- Morning pick up at 11:45am, Lunch time drop off at 11:30am (for lunch) or 12:45pm for the afternoon session and afternoon pick up at 2:45pm.

The school main entrance is also used to drop off and pick up for dragons den (our before and after school club). The door to dragons den is located to the left inside the main entrance.

Nursery Rewards

Every week we celebrate the children's work and achievements during our 'Celebration time'. Children's photos will be displayed on the proud wall if they win a certificate and we will choose class helpers every day to help us around the classroom. Children receive certificates for being Nursery Superstars (achieved for being an independent learner and applying their skills around the classroom), Star of the Week (whole school reward) and for being the Dojo winner (whole school reward). The staff at lunch time also choose a lunchtime superstar for the week.

Dojo Points

Nursery will be joining the rest of the school and collecting dojo points throughout the week. The child who receives the most dojo points each week will receive a certificate. There are many ways to achieve dojo points including; sharing, working hard, trying your best, being a good friend, listening on the carpet, helping others and many more ways.

for your child's spare clothes.

Donations to Nursery's extra-curricular activities

It would be very much appreciated if you could give your extra-curricular donations to the school office on a termly basis. The money will contribute towards a range of activities including baking and festival food. There is an in depth list on the letter in your nursery pack. A suggested donation would be £8.00 each term or £24.00 for the year. We would be grateful if donations could be paid on the first day of each term in September, January and April. This can be paid at the school office.

Tapestry

Please log in to Tapestry to see your child learning. Please feel free to comment and 'like' on tapestry as well as share any observations from home.

We regularly share observations from home with the children in Nursery and they love explaining and recounting their experiences from home.

Parents' Evening

Parents' Evening will take place on Tuesday 12th March and Wednesday 13th March. We will let you know when you can book your appointment via your child's google account.

Spare clothes

Please can you send your child to Nursery with a bag of spare clothes, including socks, in case your child needs changing due to a toileting accident, playing in the messy play or through playing outdoors. This can be left in Nursery on your child's peg. This can be any bag including a school P.E bag if you wish.

Thank you.

School Website

Have a look at our class pages on the school website to see the children learning and for resources.
