

# Eco Competition

**Create a sign for the school car park**

**The winning designs will be created into signs during the summer and displayed in our school car park!**

## How to enter

1. Create your sign on A3 or A4 paper using the resources of your choice.
2. Write your name and class on the back of your sign.
3. Give your entry to Mrs Orley in Class R2 by Friday 15th June.
4. The six winners will be revealed during assembly on Fri 29th June.

## Ideas

When you create your sign think about the following aspects; safety and the environment.

Messages you may wish to include on your sign;

- Turning your engine off in the school carpark whilst waiting
- Parking safely in bays
- Driving slowly around the one way system
- Safety of children, staff and families
- Always wear your seatbelt
- Park & Stride—park further away from school and walk to school
- Walking to school at least once a week is good for you and the environment

**The winners will be chosen by the Eco Committee, Mrs Backhouse & Mrs Orley**
