

## Eco-Schools update

**Tuesday 10th November 2020**

### **Update log:**

**-Due to the current Covid 19 restrictions we have organised Eco slightly differently.**

I have sent another **Eco video** to classes and eco reps with a class challenge linked to deforestation. This video is also available on the school website.

I have emailed class teachers and classes about Switch off Fortnight.

I have updated the Eco page on the school website.

We have given out class eco books and feedback sheets

### **Coming soon...**

**-We hope to work on something with the school council and the PTA**
