

## Eco-Schools update

**Thursday 25th February 2021**

### **Update log:**

**-Due to the third lockdown and the current Covid 19 restrictions we have organised Eco slightly differently.**

I have shared the document—Eco Schools at home—with all the staff so they can share this with their classes. This document is also available on our school eco page. I have also shared this on Tapestry with our EYFS parents and children as well as other eco resources.

The school bought every child a skipping rope during lockdown to encourage physical activity.

The school also organised virtual yoga and dance lessons weekly for every class and Edstart shared their February P.E challenge with us.

I have updated the Eco page on the school website.

Once we are back at school we will continue to use the class eco books and I will continue to do videos for the school and eco reps. I will also speak to Mrs Cadogan to see if we can organise an eco rep google meet.

### Coming soon...

**-We hope to work on something with the school council and the PTA**
