

## Eco-Schools update

**Tuesday 16th March 2021**

### **Update log:**

**-Due to the third lockdown and the current Covid 19 restrictions we have organised Eco slightly differently.**

I have completed another eco video to share with every class and the Eco reps. This has been emailed to staff with other eco updates.

Eco reps will continue to complete their eco green sheets and tally recycling and energy saved. They will put any eco evidence in their eco books.

We will continue our walk to school registers after Easter as advised by Mrs Cadogan.

I have updated the Eco page on the school website.

### **Coming soon...**

**-We hope to work on something with the school council and the PTA**

- We hope to ask Mr Eccles some questions and get a video reply.**
- We hope to complete a gardening challenge.**
